*Actual clients data base

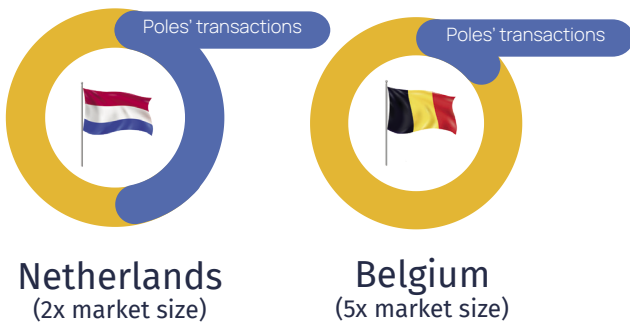

Forecast operating profit results, based on historical data and current sales reports:

Revenue of Vela Poland S.A. - 2022 (quarterly)

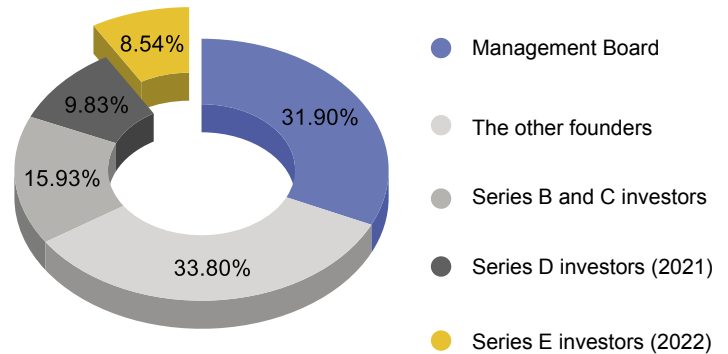

Our next steps

Entering new markets

Stockholder structure after the completion of planned issue in 2022.

Michał Ćwierzyk

CEO

biuro@velapoland.pl

In recent months, our turnover has increased by several hundred percent and now we are trying to enter with our offers a market, which is as much as 5 times bigger than the current one. I believe that together we will definitely succeed.
